“Ramp-up” Your Own Company

The North Texas RCIC, in collaboration with Texas State University RampCorp, brings **The Ramps™** to North Texas.

The Ramps™ is a training, coaching and networking program for current and aspiring women entrepreneurs. Nationally-recognized guest speakers and panelists, including investors, inventors, business leaders and successful entrepreneurs, will cover every aspect of being a successful entrepreneur as well as growing personal leadership skills essential to excelling as an executive.

Program Benefits:

Participants will receive:

- Regular access to seasoned entrepreneurs and investors who support business growth
- Membership in a select community dedicated to launching new companies and supporting aspiring executives
- Training in proven methods on how to build and Ramp-up your company
- Coaching every step of the way to launch and grow a technology venture or any scalable venture

☞ *Can you commit one night a week to your business?*

☞ *Do you want to think big and grow, but stay grounded in your own community?*
